TERMS OF THE DAILY

[illegible]

From Richmond.

Richmond, May 30.—[illegible] on the North and West sides of the Rappahannock, [illegible] from the Tuesday previous, at Chancellorsville, to Germania Mills on the road from Fredericksburg to Orange.

A raiding party of cavalry appeared at Hanover Junction at 1 o'clock last evening.

[illegible]

Richmond, May 31.—Our troops at three o'clock to-day were reported in line of battle in front of Atlee Station, on the Virginia Central Railroad. Perhaps a collision may occur to-morrow. None has taken place to-day.

The enemy have all left Hanover C. H.

An army correspondent of the New York World is reported to have been captured to-day, with papers on his person showing a part of one-sixth of Sedgwick's corps since the campaign began.

It is rumored Grant does not mean to fight any more, and it is suspected Hancock has fell by surrendering.

Gen. Stoneman was to-day placed temporarily in command of the cavalry of this army.

[Longer extracts.]

Richmond, May 30, 6 P. M.—It is reported that Butler's forces are leaving Bermuda Hundreds under protection of their gunboats.

Hanover Junction Station.

Richmond, May 30.—The London Times of the 6th says the officers of the Georgia, now lying in the Mersey for the purpose of being sold, were entertained at a dinner by the Liverpool Southern Club. An effort will be made to retain the crew to man the Alexandria.

American stocks are depressed in the London Market, except Confederate bonds, which have advanced four and a half per cent. since the 7th May, closing at ten to twelve per cent. above the quotation of United States five and twenties.

No result had been arrived at by the London Conference.

A general war is apprehended.

A Spanish admiral has seized the Chincha Islands, the property of Spain.

From Georgia.

New Hope, May 28.—While Stoneman's movement on cavalry dislodged the enemy last evening on our left, Gen. Baird was ordered to feel their position. He dispersed the command on skirmishers and drove in those of the enemy, holding possession of their breastworks. He then ordered a charge, but soon finding that the enemy were in force behind the works, which did not reach Lovell's brigade, whose gallant 5th, 35th and 5th Kentucky rushed forward with great impetuosity, leaped the breastworks, which they found themselves confronted by Longstreet's army corps. One hundred and thirty were killed, wounded and missing. Maj. Miller, 4th Kentucky, Capt. Mitchell, 5th Ky., were killed and Capt. Dudley, 5th Ky., Capt. Henry, Lt. Cleveland, Lt. Forshaugh and Adjt. Moss, 35 Ky., were wounded.

Congressional.

Richmond, May 30.—The Senate passed a bill, after debate, allowing commissioners under the act suspending the habeas corpus, two hundred and fifty dollars per month, and then resolved into secret session.

The House resolution relative to Hemmingsen was referred to the Committee on the Judiciary.

A resolution was adopted extending the session until the 7th.

The President vetoed the bill establishing a General Bank.

The Wounded.—There are now a large number of wounded in the Raleigh Hospitals and more coming in constantly, and the people of the surrounding country can do much for their relief if they will. Vegetables are very necessary and as almost every farmer has more than enough to supply his own wants, at this season, no better disposition could be made of them than to bring them to the Hospitals. We suppose that those who do not feel able to contribute such articles as they have to spare will be paid a liberal price for them.

We would also remind the Ladies of the country as well as in the city, that clean cotton and linen rags, with which to bind up wounds, are needed, and such as have them should send them to the Surgeons in charge of the Hospitals.

From our own Correspondent.

More False Reports—A Caution.

Kinston, May 28.

I see by your paper of to-day that you have a telegram, purporting to have started here, relative to a reptile of a raiding party, by a portion of the troops from this place, which is all fudge and fumble. At the same time you publish a letter from me stating that I will give you the *facts* and *reliable* news from here, as early and as promptly as any one possibly can. So I again caution you to beware of all reports coming from here, unless you know them to come from strictly reliable source. We had the same news here that is published in the telegram from Goldsboro; and I immediately called at Headquarters to learn the truth of the report, and was satisfied there was no reliance to be placed in it, and so I did not telegraph you, as I would have done if it had been worth noticing.

I again assure you and your readers that if any movement of importance occurs on the lines below here you will hear the correct statement through me, as early as through any other possible source—unless I should be absent or dead. And I again caution you to beware of sensational reports too often from Kinston, unless they are signed "VAN."

Job Printing.—Having an abundance of material and good workmen we are prepared to execute all orders for Job Printing with dispatch.

Twenty cents per Rags.—Twenty cents a pound will be paid for all clean Cotton an Linen rags delivered at the Progress office.

How to Send us Money.—Never send by mail when you can send by Express. All money sent by Express at our expense. Those sending us money by mail must do so at their own risk.

Five Dollar Notes.

The Government having reduced the value of the five dollar notes to only two-thirds their face, they will no longer be taken at par at the *Progress Office*. We will take them at a discount of one-third, just what is allowed for them by C. E. Harrison, Chief of the Government Depository at this place. Government cannot blame citizens for refusing to place a higher estimate on its currency than it is held at by its own financial agents. The whole blame, therefore, of the depreciation of the fives is with the Government and not with the people. Persons sending us $5's by mail will be credited for two-thirds face their and no more, and no bills due the office can hereafter be paid in fives save at such discount.

May 7, 1864.

Any of our friends receiving important news from the army by private letter or telegrams, will confer a great favor on us by sending or leaving them at this office for our use.

Randolph and Alamance.—The true Conservatives of Alamance and Randolph counties are requested to meet in convention on the first Saturday in June, at Liberty, Randolph county, instead of the third Saturday in May, to put in nomination a candidate for the Senate, who will support for Governor Mr. Holden, endorsing the great principles of Gov. Brown and Vice President Stephen's of Georgia. May 16-td

To the People of North-Carolina.—In compliance with the wishes of many friends, I announce myself a candidate for the office of Governor of North-Carolina, at the election to be held on the first Thursday in August next.

My principles and views, as a Conservative "after the straitest sect," are well known to the people of the State. These principles and views are what they have been.—They will not be changed.

I am not disposed, at a time like this, to invite the people from their employments, and add to the excitement which prevails in the public mind, by haranguing them for their votes. We need all our energies to meet the common enemy, and to provide means of subsistence for our troops in the field and the people at home. Let the people go calmly and firmly to the polls and vote for the man of their choice. I will cheerfully abide their decision, whatever it may be.

If elected I will do every thing in my power to promote the interests, the honor and the glory of North-Carolina, and to secure an honorable peace.

March 4-td W. W. HOLDEN.

Hillsboro' Recorder, Salem Press, Greensborough Patriot, and Henderson Times will please copy till day of election, and forward accounts.

To the Voters of Old Lenoir.—Fellow Citizens and Brother Soldiers:—Through the request of many friends in and out of the army I take this method of announcing myself as a candidate for the Sheriffalty of your county. If I should be so fortunate as to be your choice on the first Thursday in August next I assure you that all business in my hands shall be attended to promptly, justly and impartially, should I be so fortunate as to escape the hands of death during the coming campaign. I am truly in hopes to hear of a nice majority in favor of your obedient servant on the first Thursday in August next.

I am, very respectfully,
Your son and brother
Of Old Lenoir County,
R. B. VAUSE,
May 12-d&wtd 2d Lt. Co. A, 40th Reg't N. C. T.

AUCTION AND PRIVATE SALES.

FRENCH BROAD LANDS FOR SALE.

GLEN CANNON FARM, TRANSYLVANIA COUNTY, N. C.

THIS FARM LIES ON THE FRENCH BROAD River, within five miles of Brevard, the county-town, and is extensively known as th best tract of land, and the most productive property in the county, and probably in Western North Carolina. In salubrity of climate, beauty of scenery, location and fertility of soil, it is unsurpassed by any property in the State. It consists of 1,370 acres land, 400 of which are first quality French Broad bottom, all of which, with the exception of 40 or 50 acres, are cleared and under a high state of cultivation, thoroughly drained and excellent fences, most of which are new lath fencing on locust posts. 2,675 bushels of corn were gathered from 38 acres of this land with ordinary cultivation and without any fertilizer ever having been applied to it. Ninety acres are laid down in the most approved mode, to the grasses and afford heavy crops of hay and excellent pastures. The balance of the tract, say 970 acres, is the heaviest and best timbered mountain land.

The whole tract is under one boundary and may be subdivided advantageously, there being four very eligible and beautiful building sites, with bottom land attached.

On the premises is a good cottage residence, of five rooms, each with a fire place, kitchen, servant houses, ice house, storeroom, dairy, smokehouse, framed corn crib, capacity, 3,500 bushels ear corn, one double and five single negro houses, two tenant settlements, an excellent saw and grist mill, all built within thirteen years by the proprietor. The saw mill is driven by an overshot wheel of 28 feet in diameter, and is located at one of the most beautiful water falls of about 100 feet in height and equal to 150 horse power, and only fifteen minutes walk from the residence.

This property for this year is under rent to Gen. Smith, of East Tennessee, who will give any information desired during the absence of the proprietor.

The price for these lands is ($160,000) one hundred and sixty thousand dollars. Payment may be made in Confederate stock at the market value at Columbia, S. C., at time of sale.

With the above property can be purchased twelve remarkably prime and orderly negroes, being a picked gang accustomed to the culture of the farm in the most careful and cleanly style. Among them are four men, three women and five children. The men are excellent plowmen, mowers, cradlers, &c., one is a good carpenter. Of the women, one is an excellent cook and spinner. The children are from 1 to 6 years of age. Also the farm tools, consisting in part of plows, harrows, horse rake, field roller, corn planters, sorgho mill, molasses boilers, corn sheller, straw cutters, timber carts, &c., &c. Also the stock of highly improved cattle.

Address McK. JOHNSTONE,
Care of ANDREW JOHNSTONE,

N. B.—I think I can take the liberty with Judge R. M. Saunders and the Right Rev. Bishop Atkinson, of offering them as references in regard to the value, &c., of my farm.

I have a considerable lot of lumber and 30,000 shingles on hand.
